Nippon Paint Holdings Selected as a Constituent of the SOMPO Sustainability Index for the 10th Consecutive Year

Nippon Paint Holdings Co., Ltd. was selected for the SOMPO Sustainability Index for ESG investments, which was developed by SOMPO Asset Management Co., Ltd.

The SOMPO Sustainability Index includes approximately 300 companies that have outstanding ESG initiatives. This index is used as a benchmark for SOMPO Sustainable Investment, an investment product managed by SOMPO Asset Management. The constituents of the index are reviewed annually based on the results of the Bunanomori Environment Survey and the ESG Management Survey conducted by SOMPO Risk Management Inc. Nippon Paint Holdings has been a constituent of the index for 10 years.

The management of the Nippon Paint Group places priority on the SDGs and ESG. In 2020, we launched a Nippon Paint Group cross-functional ESG Promotion Team that includes overseas partner companies. We have created a framework for ESG-driven management in our group around the world. We will continue our efforts to create business opportunities through ESG initiatives with the goal of Maximization of Shareholder Value.
