**Nippon Paint Holdings Wins the Grand Prize of the 2023 Internet IR Award of Daiwa IR for  
Third Consecutive Year and the Grand Prize for Sustainability Website**

Nippon Paint Holdings Co., Ltd. (Head Office: Chuo-ku, Tokyo; "NPHD") has won the Grand Prize of the 2023 Internet Award for third consecutive year for its IR website and the Grand Prize for its sustainability website in the Sustainability Category, selected by Daiwa Investor Relations Co., Ltd.

The Internet IR Awards are granted to companies that have created excellent websites for investor relations and are effectively using these websites for disclosure and investor communication activities. In addition, these activities must be based on the concept of "5T&C,"\* which positions the Internet as an integral element of corporate investor relations programs. The evaluation for award selection was conducted on all the 4,048 companies listed on the Tokyo Stock Exchange as of June 1, 2023. Nine top-rated companies were awarded the Grand Prize. We are honored to receive this award for the third consecutive year, and we were also ranked the 3rd and won the Grand Prize in the Sustainability Category.

The Nippon Paint Group has been improving the content of its IR and sustainability websites to provide the financial and non-financial information necessary for sound communication with shareholders, investors, and other stakeholders in a timely manner to facilitate better understanding of our business activities and management policies. We will continue to upgrade our IR and Sustainability websites and build long-term relationships of trust with our stakeholders through proactive engagement.
