Management Philosophy

Mission
The leading brand bringing colors & joy to everyday life through innovative coating solutions

- This "Mission" of our Group also represents the reason why we exist in society and will never change over time. The expression may vary with the times but the core is always same.

Vision
To be the industry leader driven by passionate people using our strong business foundations to create value & inspire all stakeholders

- This "Vision" shows the direction of the Group and is linked with the immediate targets as well as the date we would like to be in 2030, as specified in the management plan.

Value
Mutual prosperity
To achieve long-term growth and mutual prosperity with all of our stakeholders through unmatched performance and constant improvement

A pioneering spirit
To sustain the pioneering spirit that led us to become a leader in the global paint industry and constantly pursue innovation and excellence

Persistence
To achieve our mission with unwavering perseverance, dynamism and initiative

- This "Value" is always shared by all employees to realize the Mission and the Vision. They should keep it in mind when taking an action.

Way
- We will endeavor to develop strong bonds of trust with our customers, work with them as partners, and inspire them with our products and services.
- We will prioritize the health and safety of group employees while pursuing a dynamic corporate culture.
- We will seek individually and diversity while pursuing our common goals.
- We will commit to tackling environmental and energy issues and will work proactively to address them.
- We will consistently engage in activities that contribute to society, fulfilling our responsibilities to local communities as a trusted corporate citizen.
- We will act honestly and in good faith as a member of society and in accordance with all national and international laws, rules, and regulations.
- We will recognize the importance of communicating with all stakeholders and will disclose corporate information in an important, timely, and appropriate manner in order to ensure corporate transparency and accountability.
- We will pursue the development of major technological innovations, while also improving our technology every day.
- We will always focus on cost and efficiency, and seek to appropriately invest profits to create new value, help improve the quality of life of our employees, and provide maximum returns to shareholders.

* Way: Action guidelines that should be followed by all employees to realize Mission and Vision
